

We are considering:

- Keeping Lidlington level crossing open
- Closing all other level crossings in the area
- Diverting a number of the footpaths to reflect the changes of locations of crossing paths
- Building a new underpass to the east of the Playing Field footpath
- Building a new underpass at the existing Forty Steps crossing to the east of Playing Field crossing

Legend

-  East West Rail – Marston Vale Line
-  Level crossing proposed for closure
-  Existing station
-  Search area for new road, bridge and footbridge
-  Proposed new sections of footpath
