

# Bedfordshire Local Representatives Group

## Details for the upcoming Group meeting

**Date:** Friday 3 March

---

**Start/end time:** 6:30pm-8:30pm

---

**Meeting type:** Virtual meeting (Zoom)

You can find the agenda for the ninth meeting of the Local Representatives Group for Bedfordshire below.

Based on the topics of interest raised at the previous meeting and comments received, we will provide an overview of the process for developing the Code of Construction Practice and how environmental impacts may be managed during construction.

The topic on the process for developing the Code of Construction Practice: managing environmental impacts during construction will:

- Provide an overview of the Code of Construction Practice and Construction Environmental Management Plan and their purpose
- Outline when in the project timeline these documents will be developed and examples of the content it may cover
- Provide some examples of environmental mitigation measures

Previously the group has expressed an interest in the following topics and we will discuss what these could include during meeting #9:

- **Examples of Active Travel solutions from CS1**
- **Impact and consideration of power choice on design and engineering solutions**
